WAS MAYSVILLE MAN!

"Jeff" Holliday Seriously Shot on
Crowded Street in Cincinnati.

C. W. B. Holliday, universally known here as
"Jeff," is lying in the Cincinnati Hospital with a
dangerous wound.

About 4 o'clock Monday afternoon he was
walking up Broadway between Third and Fourth,
accompanied by James Leonard, when he was
stopped by a well-dressed man.

A few words passed when the latter drew a
gun, pressed it to Holliday's breast and fired.

Holliday fell and the shooter escaped.

The wounded man was not once taken to the
Hospital, where he said that his assailant de-
manded his money and a refusal prompted the
shooting.

When asked who shot him he replied: "I
don't know, but that man does," pointing to
Leonard. Leonard was arrested and taken to
the Hammond Street Station.

Detectives say they have solved the mystery.
Holliday and his friend, James Leonard, and one
other man had been drinking together. They
met a fourth man on Broadway, jostling into
him by apparent accident, and a quarrel arose.

Vile names were called, and one of the four
drew a revolver and fired at Holliday.

It's the old, old story, with a woman at the
bottom of it.

Holliday is a bricklayer, a former resident
of the Sixth Ward, and after the death of his
wife a couple of years ago he went to Cincin-
nati to reside.

The Bonanza will be up tonight for Pomeroy.

The Henry M. Stanley from Pomeroy will be
down tonight.

The Keystone State will pass down tonight
from Pittsburgh.

The W. W. O'Neil goes South from Louis-
ville with a big tow.

Heavy rains are reported from the head-
waters of the Kanawha. The rise will be of
sufficient volume to allow of the shipment of
coal from that region.

The big towboats of the combine are not
having easy sailing with their tows below here.
The Alice Brown sank two loaded barges in the
harbor at Louisville. The Gleaser sank several
boats. The John A. Wood stuck her entire
tow at Highland Rock. Two boats sank, while
others are in such a position that they could
not be pulled off. The Harry Brown hit the
bank at Reno, Ind., sinking two boats. The
Joseph B. Williams is at Stephens Port with a
badly smashed wheel.

The rivers at Pittsburgh, which had been
rising steadily all day Monday, began to fall
and the twelve-foot stage which the coal and
river interests expected was never reached.
The highest was 10.3 feet, reached at 7:30
Monday night at Davis Island Dam, at which
point the river became stationary and then
began to recede. Tuesday morning water in
the Pittsburgh harbor was rising at the rate of
6 inches an hour and there was much drift in
the channel. Most of the water pouring from
the Monongahela was contributed by the
Youghiogheny and Turtle creek, which was
badly flooded. There was not much rise in
the Upper Monongahela. The same conditions
were true of the Allegheny, there being little
rise at the headwaters, but an outpouring came
from the valley of the Kiskiminetas, where the
rains were very heavy. There was little coal
sent out of Pittsburgh on account of the ab-
sence of towboats, which have not had time to
return from the last big shipment. The Robert
Jenkins left with six coal boats and one
flat. The Braddock got out with five coal boats
and two flats and the Tom Lysle with five coal
boats and two flats. The G. W. Thomas got in
from Mt. Pleasant with a tow of empties and
was dispatched immediately. The Edward
Roberts is going up the river and has passed
Steubenville. She will go out if the water
holds. The coal companies do not expect to
do much, as the river is falling and they can-
not bring their boats back fast enough.

THE BEE HIVE!

It is generally known that G. Cox & Son will retire from business on July 15th. It was with much regret we
herald this bit of news, for Maysville, Mason county, aye Kentucky, can little afford to lose such a store—a store whose
watchword was reliability. The word reliable was stamped on the back door as well as the front; the word reliable
was stamped on the yardstick as well as the goods and on the paper as well as the string. Eighty-three years' of trust-
worthy merchandising has left an everlasting monument to the merchants of Maysville to emulate. May their new
plans bring health, happiness and prosperity.

Be It Known Also!

That while we did not buy the old stock of G. Cox & Son, we have secured the GOOD WILL by the presence of
Miss Maria Boyd, who shall, beginning with September, be located here with the Best, most Progressive and FAST-
EST GROWING STORE IN KENTUCKY. Miss Boyd asks that all her friends and customers in opening new

REPUBLICAN STATE CONVENTION.

LOUISVILLE, Ky., May 14, 1908.
At a meeting of the Republican State Central Committee, held this day, it was ordered that a State Convention of Delegates be held at the Auditorium, in the city of Louisville, on Wednesday, July 15th, 1908, at 2 o'clock p. m., for the purpose of nominating candidates of the Republican party for the state offices to be filled at the election November, 1908, viz: Governor, Lieutenant-Governor, Treasurer, Auditor, Commissioner of Agriculture, Labor and Statistics, Secretary of State, Attorney General, Superintendent of Public Instruction, Clerk of the Court of Appeals.

Delegates to said Convention shall be chosen by the people of the several counties of the state, in Mass Convention assembled, at the county seats thereof, on Saturday, July 11th, 1908. The County Conventions shall be convened at 2 o'clock p. m.

The Chairmen of the County Committees shall issue a call, in conformity herewith, for said County Conventions, and publish the same, stating the place at which in their county seats the Conventions will be held by posting a copy of said call at their county Courthouse at least fifteen days prior to July 11th, 1908.

The basis of representation in the State Convention shall be one Delegate for each 100 votes or fraction over 50 votes cast for the Republican Presidential Electors in November, 1908. Upon this basis of representation the number of Delegates to said Convention is 238 and is apportioned to the counties of this Congressional District as follows:

Bath.....	17	Lawrence.....	21
Boyd.....	20	Lewis.....	23
Bracken.....	13	Mason.....	25
Carter.....	25	Nicholas.....	13
Fleming.....	21	Roller.....	5

R. L. Gwathmey, Secretary. C. M. HARNETT, Chairman.

REPUBLICAN COUNTY CONVENTION.

In accordance with the foregoing, the Republicans of Mason county will meet in Mass Convention at the Courthouse in Maysville on Saturday afternoon, July 11th, at 2 o'clock, to select Delegates to the State Convention at Louisville.

WILLIAM D. COCHRAN, Chairman.

The State Sinking Fund Commission recently bought and cancelled seven \$1,000 bonds of the twenty-year issue, payable in 1905. This leaves the state's outstanding bonded debt \$39,000, although the callholders made a big hurrah about the entire debt being wiped out.

THERE is a rapidly-growing sentiment in the Trades Unions of the East to get rid of those "grafters" known as Walking Delegates. It may be recalled that THE LEDGER has for several years urged the abolition of these dead-beats, who feast and fatten on the misfortunes of the real workingman.

"THE Man of the Hour in Kentucky" is the way The Louisville Times headlines a half-tone of ANDREW F. BYRD, who prosecuted JETT and WHITE at Jackson. But why "the man of the hour"—isn't he the sort of man Kentucky needs and needs badly every day in the year.

Hon. AUGUSTUS E. WILSON spoke to a packed house at Oddfellows Hall, Covington, recently, and here's part of what he said—

"I am ready to abide by the decision of the Republicans, and if you choose to nominate some one other than myself for Governor of Kentucky you will never hear a Willson Republican say that he will not support that nominee. My opponents are good men, true Republicans and honorable citizens of Kentucky. We are all neighbors, brothers and friends."

That's the way for every Republican to talk—and it's the way for every Republican to act.

GOVERNOR BECKHAM, in his apology for his Administration, says of the Jim Howard case—

"JIM HOWARD, the thrice-convicted murderer of WILLIAM GOEBEL."

True, he was thrice convicted of the murder of WILLIAM GOEBEL, but Governor BECKHAM forgets to state that every time the Court of Appeals got a whack at the case it was promptly reversed, and once by a unanimous vote of the Court, Democratic as well as Republican Judges.

MAYOR GEORGE P. SULLIVAN of Derby, Conn.,—himself a prominent labor leader in his state—in a recent interview placed himself on record in opposition to the Walking Delegate. On this point he says:

"The best thing Labor Unions can do is abolish the Walking Delegate. He is more or less of a 'grafter' and by the plain workingman he is not wanted. I believe his days are numbered. The Walking Delegates have run the Unions more in the interest of themselves than that of the members."

"Recent startling revelations have shown that the Walking Delegate is a detriment, not a benefit. There are cases where he has received compensation from both sides. Committees from the locals should deal with individual strikes or grievances."

PEOPLE WHO CAN'T SLEEP

Many people go to bed—not to sleep, but to think—to ruminate and toss—to get up, walk about until tired Nature gives way and a few fitful hours of sleep are obtained just before dawn—a sleep that does not rest—a sleep from which one wakes weary and tired, wholly unfitted to take up the daily routine of household shop or office duties. That this condition goes on uncorrected for almost criminal, when the well-known, time-tried and tested powers of Dr. A. W. Chase's Nerve Pills to give restful natural sleep have been so fully proven in such cases.

Mr. F. Jones of No. 107 Union street, Maysville, Ky., says:

"I was troubled with nervousness, sleeplessness and dizziness. Hearing of Dr. A. W. Chase's Nerve Pills I decided to try them. I got a box at Chenoweth's Drugstore and as a result of their use my nerves are again steady—I sleep well and have no more of those distressing dizzy spells. I can truthfully recommend this medicine as an excellent nerve tonic."

Make Hay While the Sun Shines.

Make all the hay you can. Providence helps them who help themselves. A good high price is offered you for hay. Help yourself by saving all of your grass. MINNIE MOWERS AND RAKES will cut and save anything that grows out of the earth! There is a big difference in mowers. Some cut well but are horse killers. Others run light but rack to pieces in a few short years.

THE LOST IS FOUND! What you have been looking for is a grubbing machine that will not ruin your team.

MINNIE'S GUARANTEE. Is that she will cut anything from bluegrass to briars and run lighter to your team than any other mower made! The Minnie is Bicycle Bearing throughout, high wheels, wide tread, and has a pitman rod 40 in. long. Compare this high wheel, wide-tread mower with others having a 24 inch pitman rod, and it will make them look like 30 cts. badly mutilated. The Minnie Mower is strong where others are weak, and that is in the cutter bar joint. We guarantee the hinge and shoe upon the Minnie to weigh four times as much as the hinge and shoe upon any other mower.

A MINNIE CUTTER BAR WILL STAY IN LINE. We ask you in all fairness did you ever see any other mower that the cutter bar would not drop back out of line? You know full well that when the cutter bar sags back the sections all cut into the guards and the machine chokes continuously.

The Beautiful Minnie Mower has overcome this greatest objection to all mowers.

AN INGENIOUS PATENT. And well worth your inspection is the Foot Lift upon the Minnie Mower. It is a Yankee trick sure; the cutest thing that we have ever seen.

SIMPLE ENOUGH AFTER YOU KNOW HOW. And any of us ought to have had sense enough to have invented it. Listen! One single lever raises and lowers the cutter bar and locks and unlocks the cutter bar when in an upright position! All done with one lever without getting off the seat! Wonderful but true.

THE MINNIE RAKE IS UP-TO-DATE. And we earnestly ask all of you to call and look at the new patents upon both the mower and the rake whether you have any idea of buying or not. Call and see the new patents. Delighted to show them to you.

WE TRADE MOWERS. Bring in your old worn out mowers and we will trade you a new one. We will give you more for your old mower than you will ever get again.

WE HAVE A PLACE FOR OLD MOWERS. Special contract. Competition not on to yet. We can give you three times as much for an old rattle-trap mower as any one else can. TRY US!

Very Remarkable Cure of Diarrhoea.

"About 6 years ago for the first time in my life I had a sudden and severe attack of diarrhoea," says Mrs. Alice Miller of Morgan, Texas. "I got temporary relief, but it came back again and again, and for six long years I have suffered misery and agony that I can't tell. It was worse than death. My husband spent hundreds of dollars for physicians' prescriptions and treatment without avail. Finally we moved to Bosque county, our present home, and one day I happened to see an advertisement of Chamberlain's Colic, Cholera and Diarrhoea Remedy with a testimonial of a man who had been cured by it. The name was so familiar to my own that I concluded to try the remedy. The result was wonderful. I could hardly realize that I was well again, or believe it could be so after having suffered so long, but that one bottle of medicine, costing but a few cents, cured me!" For sale by J. J. Wood & Son, Druggists.

CLOTHING
TALK! s s s s s

There is something about the Hart, Schaffner & Marx Clothing by which you may identify them even more certainly than the label. It goes into them before the label. It is a style, a quality, a tailored-by-hand touch to them, a harmony of fabrics, trimmings, etc., a thoroughbred look about them never found in other clothing. The fact that we can't define it doesn't make it any less real. You can see it without fully realizing what it is. We can't show it or tell you fully about it until you wear the clothes. Then we won't need to. This incomparable line is for men and confined to us.
But we have provided as well for the boys and children. We invite inspection and comparison of both goods and prices.
OUR MERCHANT TAILORING DEPARTMENT, under the supervision of Mr. Charles F. McNamara, is the only one in the city paying Union prices and having all work done at home. Ask to see one of our made-to-measure Suits. You can get them cheaper elsewhere, but not like ours.

"I am pleased to give my experience with Wine of Cardui as I am very grateful for its help. After my first baby was born I could not seem to regain my strength, although the doctor gave me a tonic which he considered very superior, but instead of getting better I grew weaker every day. My husband came home one evening with some Wine of Cardui and insisted that I take it for a week and see what it would do for me. As he seemed to have so much faith in it I did take the medicine and was very grateful to find my strength slowly returning. In two weeks I was out of bed and in a month I was able to take up my usual duties. I am very enthusiastic in its praise."

hers, as are their ambitions, triumphs and defeats. Healthy women do not suffer miscarriage nor does a woman who is healthy suffer tortures at childbirth. It is the woman who is ailing—who has female weakness—who fears the ordeal of becoming a mother. Wine of Cardui builds up the womanly in a woman. It stops all unnatural drains and strains—irregularities which are responsible for barrenness and miscarriage. It makes a woman strong and healthy and able to pass through pregnancy and childbirth with little suffering. After the ordeal is passed the Wine prepares a woman for a speedy recovery to health and activity.

Weak Hearts

Are due to indigestion. Ninety-nine of every one hundred people who have heart trouble can remember when it was simple indigestion. It is a scientific fact that all cases of heart disease, not organic, are not only traceable to, but are the direct result of indigestion. All food taken into the stomach which fails of perfect digestion ferments and swells the stomach, puffing it up against the heart. This interferes with the action of the heart, and in the course of time that delicate but vital organ becomes diseased.

Kodol

Digests What You Eat

Mrs. Loring Nichols of Penn Yan, N. Y., writes: After eating, my food would distress me by making my heart palpitate and I would become very weak. Finally I got a bottle of Kodol and it gave me immediate relief. After using a few bottles I am cured.

Kodol cures indigestion, dyspepsia and all stomach disorders, and gives the heart a full, free and untrammelled action.

Bottles only, \$1.00. Size holding 2 1/2 times the trial size, which sells for 50c.

Grand Fire Slide for Life!

By Prof. Samuel Whittaker.

This is one of the most daring acts ever witnessed by the public. In this act Professor Whittaker goes on a high platform on the roof of the Amphitheater at the Fairgrounds from which there is an inclining cable-car foot in length. His clothing is saturated with gasoline and set on fire, and he dives down the cable car tank of water which he dives into and the flames are extinguished, making one of the most pleasing and exciting acts ever witnessed. It will be impressed on your mind for a lifetime. This was the crowning feature at the World's Fair, Nashville Exposition and Paris Exposition. Should be called "a dive through fire and flame." Don't fail to see it. If rain on any of the above nights, performance next Fair night. Remember, everything is free.
